**Free Liver Remedy**

It is well to stop a physical ailment at the first sign of its approach, and that is especially true of liver trouble, which can eventually give rise to so many serious complications.

When the liver does not store up sufficient gastric juices it becomes sluggish, and in this way disturbs the stomach and bowels, with which it is supposed to work in harmony. Then comes the sallow complexion, the simply face, the dull pain in the forehead, the thinning of the blood, etc. A very quick and sensible way to stop the trouble as well as to cure it, is by the use of Dr. Caldwell's Scurvy Peppin, which contains ingredients especially adapted to promote the activity of the liver.

Among the many thousands who have written the doctor about the results achieved with his remedy, and who are glad to make the facts public so that others can help themselves, are Mr. Jas. Kennedy, St. Louis, Mo.; Mrs. S. L. Ruse, of Smith's Grove, Ky., and many others.

These, like thousands of others, started the use of Scurvy Peppin as a sample. If you will send your name and address you can also obtain a free trial bottle. This will prove to you that liver trouble is promptly cured with this remedy or money will be refunded. Having tried it you can then buy it the regular way at your druggist at fifty cents and one dollar a bottle, and the latter is sufficient for an entire family.

This remedy is a vast improvement over cathartic tablets and salts, which only do good for the time being. Scurvy Peppin is permanent in its results, is pleasant to take, and does not cause any of the violent purgative.

Dr. Caldwell's Scurvy Peppin will be pleased to give you any medical advice you may desire for yourself or your family, pertaining to the stomach, liver or bowels, absolutely free of charge. Explain your case in a letter, and we will reply to you in detail. For the complete Scurvy Peppin send your name and address on a postal card or otherwise. For further request the doctor's name is Dr. R. B. Caldwell, R. 527, Caldwell Building, Monticello, Ill.

**FLOATS ON HIGH TIDE.**  
Steamer Goes Ashore Near Cape Henry. But Gets Off Without Damage.  
[Special to The Times-Dispatch.]  
Norfolk, Va., June 14.—A dense fog that prevailed before day this morning allowed the entrances of the Chesapeake Bay, the British steamer "Dundonian," loaded with cargo, was ashore on the beach two miles south of Cape Henry. The ship was making for the Cape, bound for Baltimore. On the high tide at 11:30 this morning the steamer was floated without assistance, although tugs were standing by, and she sailed for Baltimore. It is not thought she was injured, as there was little sea on. The master refused to acknowledge that he would be able to clear the sand-bar on the high tide.

The Dundonian is a large tramp steamer, and has been for months trading between the West Indies and American ports. She has frequently loaded coal in Norfolk for the Panama Canal construction work under charter by the government.

Judge Martin Williams, of Giles county, will be on the bench with witnesses to-morrow. The Commonwealth will probably not rest its case before Thursday night.

Hampden-Sidney, Va., June 14.—Major J. C. Hemphill, editor of The Times-Dispatch, delivered the commencement address in the college chapel to-day on the subject of "The Relation of the Press to the Public, and of the Public to the Press."

The speaker did not allow his own connection with journalism to influence his judgment. Where criticism was deserved he was severe in his strictures on the newspaper, but, however, that the press was no worse than the constituency which it served. He showed what a great factor the newspaper is for conservatism on the one hand and progress on the other.

Major Hemphill, at usual, was most happy and effective in his skillfully turned phrases.

The McAllister athletic trophy was presented to the sophomore class by the Rev. T. H. Moore, of Charleston, W. Va. Jos. Stebbins, Jr., in a pleasing manner, delivered the Haney trophy for debate to the Philanthropic Literary Society, after which Charles D.
